Solo v2

Come V1

I don't want to be lonely
and I don't want to waste my time
but an empty bed is a burden I can share
I know that you're only waiting for a sign
I know where you're gonna go and I know who's gonna take you there

Come V2

I came to meet my baby
but my baby didn't show
I've been calling her number but it's always occupied
don't you think that maybe it's time for us to go
the barman's started yawning and the sun's coming up outside
