V1

e7 am7
in terms of each other you might say that we're doing fine
d7 fm am > bm
one's scared to call it quits and the other to draw the line
c#m7 bm7
now all that's left behind us is a habit not a bond
b(9?) c(9?) fm am
since we lost the train of yesterday when the waiting took too long

V2

we're only one step from the bottle in the evening when we're dry
then I lay your head on an unmade bed and I swear that you're gonna fly
but in the morning when we're closer we're just two steps from regret
i'm just a face across a table another promise that was never kept
chorus

a d
oh there's not a lot of room but there's room enough for two
a e
how come when i'm there to share it girl there's only room enough for you – room

V3

so we're sitting over breakfast that is longer than the night
an endless chain of cigarettes your almost i'm not quite
my grimace your distraction and the coffee that's gone cold
like the ring upon your finger on the hand that I have and hold

V4

so you leave me one more morning and I'll wait for one last chance
but you see it coming and you step aside a manic partner in a crazy dance
it seems you stopped trying now that every gesture fails
we've lost the train of yesterday trying to keep it on the rails
